## TEST YOUR LIONS KNOWLEDGE

In what year did the Lions establish a club in Mexico and in what city?

### DISTRICT 14P

DG Gary asked Lion Tina Hall to start bringing awareness to Childhood cancer, one of our foundational causes as Lion Clubs. Requesting clubs would share this information so Lions can contribute to the four diamonds cause. More information to come in later newsletters about other fundraising and awareness activities.

### **IN LOVING MEMORY OF LION REVEREND DORIS HALEY**

Reverend Doris Haley was a member and Past President of the West Chester Daybreak Lions Club and joined the West Goshen Lions Club serving as Club Chaplain. She was also the PA Lions District 14 P Chaplain for 20 years and attended all District meetings. She served on the Lion James E Bing Miller Charitable Foundation for many years as a Board member and Chaplain. She was a Melvin Jones Fellow, a Bing Miller Fellow, and a Knights of Bing Miller Fellow. In 2009 she received the Lions International Presidents medal from PIP Al Brandel, for her commitment to WE-SERVE not only in Lions Club but in her community at large.

At the 40th Annual Dinner, held on January 26, 2007, the Southern Chester County Chamber of Commerce named Reverend Doris Haley as the 2006 "Outstanding Citizen". In 2010, Lion Doris was named Citizen of the year in the Avon Grove Lions Club. Lion Doris had dedicated her life to helping those on the fringe of our society, those who are often shunned, neglected, impoverished, and forgotten. She had been the Chaplain at Pocopson Nursing Home for 44 years, the Chaplain for the Lions Clubs of Chester and Berks Counties for 20 years, and the Volunteer Chaplain at Chester County Prison for 51 years. As the Outreach Coordinator for families of prisoners for 40 years, Lion Doris helped to care for these families by obtaining, and providing them with vital necessities such as food, clothing, household items, furniture, heating, medicine, and much more. Lion Doris also encouraged these families with spiritual support through Bible Study and provided recreational activities such as barbecues, hayrides, Mother's Day Lunch, and Easter Egg Hunts. She began the Christmas Angel Tree Program for the children of inmates at Chester County Prison - a party and gifts for each child given in the name of the parent in prison. Support for this was held at an annual children's Christmas Sotree (pancake breakfast) with West Chester Lions Club and West Goshen Lions Club members. Many Lions Clubs supported Lion Doris with children's gifts and funding for her projects. Lion Doris established and was the Director of the School of Learning for the children of inmates at Chester County Prison. The 2006 School of Learning served 125 children and ran a full-time summer program. Today the After School program for students serves 480, and classes are year around.

Her many efforts and achievements inspired others to share with the less fortunate. To help ensure the success of the School of Learning, local churches, groups, instructors, farmers, and individuals donate transportation, breakfast and lunch foods, instruction, supplies, fruit, and vegetables. She initiated the "Doris Haley Ministry for Children of Prisoners." Lion Doris did not take credit for her work, but believed it is an opportunity for God to work through others to provide for those in need. For all the lives she has touched and for her many acts of charity, Lion Doris Haley was truly an Outstanding Citizen, and a dedicated Lion in Service to all.

Rest in God's Peace, Lion Doris, you will be missed by those that knew and loved you.

# END OF YEAR THOUGHTS

Hello Lions

I want to thank DG Gary for his leadership this past year. He had a fantastic year. He is an outstanding leader and a better friend.

I feel OUR district is at a crossroad because we were unable to elect a District Governor this year. What will happen? After July 1 the Honorary committee, which is made up off all the PDG'S will meet and elect a PDG as District Governor.

They could elect someone else if they are qualified and that person stepped forward.

What is the job of the district governor? They are responsible for the district, and they CAN'T do it alone. They need YOUR HELP. In the past they have had 1500-1600 Lions to ask, now we only have 950. It is very hard to know what everyone can do, so you must communicate what you are good at and what you can do to help our district.

I FEEL WE LOVE OUR DISTRICT 14-P, IT NEEDS EVERYONES HELP, if you know a PDG please reach out and talk to them so WE can keep this district GREAT.

## Message from District Service Chair

Hello Fellow Lions

Well, we are quickly approaching the end of another Lions year. I hope your club has had a good year and that your service projects have been successful! I don't know all of our clubs and their activities, but I know that the level of service provided across the board is exceptional.

Let's take this moment to consider the impact of these community services. How many individuals have been helped personally by your aid this year? How many special projects have been completed to improve our communities? How many organizations have received the support they need to continue to provide their special brand of service? Without tallying all this, I know that our collective impact remains incredibly impressive.

We stand ready to help our neighbors with sudden or unforeseen needs, support organizations working in our community and complete projects across our service area that improve and enhance the quality of life for all of us. When our members can see for themselves the results and impact of this work, it drives Lions to become members, entices them to remain active and engaged in club activities and is the overall reason that Lions remains the Number 1 service organization in the world!

Excellent work everyone! Let's keep the project planning going for next year! There are so many opportunities for fresh new ideas and so many needs that arise that our help is essential. "We Serve" is such a simple concept - but it is at the heart of every member, every meeting and every project. Growth in our beloved Lions organization depends on it!

## District Administrator's Report for June Cabinet Meeting

I have been working with District Clubs to get their service reported to Lions International in the new portal. We are down to just 4 clubs that have not reported any service for the year. They are Rehrersburg, Poole-Berwin-Malvern, Kimberton Area and Conrad Weiser. If anyone knows anyone in these four clubs, please have them contact me. Year to date District 14P has completed 1,276 Service Projects serving 182,484 People.

I attended the State Lions Convention. There were some great programs presented. The new Lions Year will be starting in July please try and have your new officers entered as soon as possible. Also update your membership as soon as possible so that International and State can have the correct counts for dues. If you need assistance with this, please contact me.

If you have any concerns about the new Lions Portal, I will try and help you.

I am asking that the District Officers need to be reported to me so that I can update the District.

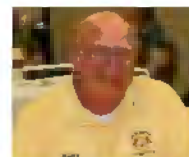

As always, I am here to help in any way I can.

## LOPF GRANT CRITERIA

The mandate and challenge to Lions of Pennsylvania Foundation (LOPF) is to achieve significant humanitarian results, particularly those relating to sensory impairment programs within the Commonwealth of Pennsylvania, with the funds available. All grants authorized should meet the LOPF's major objectives – Humanitarian Services and Vocational Assistance.

**Grant request cannot be for more than 50% of the District, Lions Club financial support. The applicant must have secured 50% of the needed income before applying for a grant from the LOPF. The club can raise funds as part of the 50%.**

### GRANTS:

1. **Humanitarian Service Grants:** These grants may be issued for permanent communal programs or institutes, which satisfy humanitarian needs in harmony with the objectives of Lionism.
2. **Vocational Assistance Grants:** These grants may be issued for programs meeting a broad range of educational and training programs that provide a means for sensory impaired people to become self-supporting or to improve upon their economic and social well-being. Funds shall not be granted directly to individuals for such purposes.

LOPF sponsors activities that further reconstruction efforts, and that provide long-term benefits to as many sensory people as possible. Among proposed reconstruction projects, higher priority is given to those proposing the creation or reconstruction of new public facilities and services that benefit the sensory impaired.

### CRITERIA FOR GRANTS:

1. Grants shall be authorized for projects meeting diverse human needs not adequately addressed by other programs, having a district Lions identification and character, and providing long-term benefits. Projects serving many people shall be preferred because of more favorable cost effectiveness, economics of scale, and lower costs per amount of service.
2. LOPF does not provide assistance to offer services otherwise available through governmental, religious, charitable, social, welfare, or comparable service programs. Nor does it attempt to fund projects more appropriately the responsibility of Lions Clubs, Districts, or other Lions units.
3. Grant Funds shall concern the financial burden of projects, which are beyond the scope of traditional Lions Club and/or District Fund-raising.
4. Projects shall be preferred that have high implicit promotional value.
5. Where grants are authorized for projects of a permanent nature, such projects shall carry a definite identification, as having been made possible through LOPF specifications, for such identification shall be provided by LOPF. Documentation of identification shall be included in the final report on the project to be submitted by the District.
6. Where grants are approved for a single project, no further grants will be permitted to cover continuing operating expenses.
7. Because of limited resources, grants shall not be made on a continuing basis to any single project.
8. Grants may **NOT** be made to meet operating, maintenance, payroll, labor or in-kind labor expenses.
9. Grants may be authorized for non-Lions organizations or programs only when their services and facilities would significantly contribute to LOPF purposes, and when their specific capabilities, resources, economics, and efficiency exceed those of available Lions programs. The LOPF grant must represent a significant addition to such program's service capacity. These grant applications must go through and have the financial support of a District or Lions Club.
10. Applicant Lions Districts, and/or Clubs, upon the certification of the District Governor and sitting District Director, must not only indicate the nature and extent of their planned participation in the grant project, they must also make significant financial commitment on behalf of the project.
11. Each grant application shall be judged solely on its own merit and the degree to which it meets these criteria and the operating policies of LOPF, as established by the Board of Directors.

## REGULATIONS FOR LOPF GRANTS

The need for LOPF assistance must be documented by the submission, on a LOPF Grant Application form, of specific project plans and benefits, a project budget, and all other pertinent factors that may be requested by the Board of Directors. The project budget should clearly detail all project income and expenses, including allocations by item and detail. It should show all sources of income and expense, both received and projected. Project expense should equal project income.

2. Grant proposals may originate from any District or Lion organization. An application received must bear the District Governor's, and sitting board members of said District, signatures certifying the significance of the need addressed, the social value and operational feasibility of the proposed project, and the validity and reasonableness of the Grant Request. The certification of the Cabinet, or the Council of Governors in the case of a multiple district application, is also required. Cabinet or Council certification is to be evidenced by the submission of the minutes of the meeting at which the application was certified.

3. Any club project must have the full support, including financial support, of the District or a Lions Club, before its application may be eligible for consideration by the Directors. The amount of District/Club financial support must be indicated in the sources of income of the itemized budget. The Lions organization must make a 50% financial commitment on behalf of the project consistent with their respective funding capacity. The financial support comes from the District, Lions Club and other outside sources of revenue.

4. LOPF grant funds are intended for projects in the developmental stages, or for projects in progress. LOPF grant funds are not intended to repay loans or to establish reserve funds.

5. Grants issued to Lions Clubs or Districts will be made payable to the appropriate Lions Club or District (single, sub, or multiple). Such grants are to be approved by the District Governor or multiple district Council Chairperson who is in office at the time, the district board member and final approval is made by the Board of Directors. The grant sponsor is responsible to disburse and account for LOPF grant funds in his/her possession.

6. Lions and/or their families should not receive direct or professional benefit or have proprietary interest in projects receiving LOPF assistance.

## Lions Cub Program

Encouraging kids and adults to serve together and create a lifelong dedication to service through Lions Clubs.

More information is viable from Lions International.

By starting a Cub Program in your community, you are helping to guide our youngsters through their formative years and ensure a generation of youth who serve.

A great way to get children and grandchildren involved in serving.

### How the program works

Cubs are children aged 12 or younger who are interested in service and show commitment to a given Lions club.

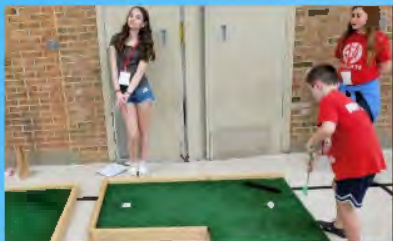

A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event, or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the Cubs and reported in MyLCL.

Look what the Coventry sponsored Cubs are doing.

## COVENTRY LIONS CLUB

### CUB PROGRAM

The French Creek Lion Cubs volunteered their time on Friday May 17th from 5:30-8:30pm to the French Creek Fun Fair. They created posters to promote the event and then they joined the FCVPTA sign up to set up, clean up, and most importantly work stations at the fair. The Cubs had so much fun volunteering at the event, all while making the FC Fun Fair a success!

The Cubs met in Mrs. Nesley's classroom to work on today's projects. The first project that the Lion Cubs worked on was "Teacher Appreciation" cards. Teacher Appreciation Week runs Monday, May 6, to Friday, May 10. Did you know that the idea for a week to honor teachers began more than 70 years ago with first lady Eleanor Roosevelt. The Lion Cubs wanted to thank their East Coventry teachers for all that they did during the school year!

The second project that the students worked on was the "Freerice Activity" <https://freerice.com/home>. Freerice is an educational trivia game owned by the UN World Food Program me (WFP). Private sponsors match the rice grain donations generated within Freerice, triggering a financial payment to WFP. This money goes into the pot of "greatest needs" to support the organization's ongoing emergencies. 100% of all funds generated via Freerice go to the World Food Program me. Freerice does not earn or keep any money it raises.

The students put their knowledge to work today and had fun!

The North Coventry Cubs created posters of appreciation that have been hung up in the faculty room to give thanks to all our teachers. All our teachers were very grateful each time they walked into our faculty room.

## OWEN J ROBERTS MIDDLE SCHOOL LEOS

On Saturday, May 18, ten Owen J. Roberts Middle School Leos spent their morning volunteering at the Phoenix Animal Rescue in Chester Springs. Leos worked from 9am until noon and participated in a variety of the daily kennel activities including: cleaning and washing kennels, feeding rescue dogs, helping to bathe a few dogs, cleaning bowls, and doing some laundry and clean-up work. Their favorite part of the morning was giving some puppy snuggles to several crowd favorites! It was a fantastic experience as Leos learned a lot about what happens behind the scenes at an animal rescue. Phoenix Animal Rescue is run by the Lombardo family who owns Eagle Kennel and works so hard to save so many animals from all over. Their son, Louis, is a very active 8th grade Leo and the current treasurer of the OJ RMS Club.

## OWEN J ROBERTS MIDDLE SCHOOL LEOS

On May 14, 2024 seven members of the Owen J. Roberts Middle School Leo Club went to In Ian's Boots to assist with cleaning, tagging, and sorting of shoe donations. The Leos worked from 5:30-7:30 and started their evening learning about how this local charity came to be. Additionally, they learned about how the organization performs outreach to the local community and various countries around the world. It was a great night of service.

Larry has been a member of the Lions Club for 41 years!!!! He is a past club president and Melvin Jones Award winner. He is extremely proud of the programs established by the Lions to help the community. Some of Larry's best memories are working at the Fair Stand. Everyone supports everyone!!!! He also enjoys our guest speakers. He has some great ideas for future meetings. Larry had a great time building friendships with other Lions during Poker Games and Basketball Games. Thank you, Larry, for serving our Kutztown community and serving with pride!

## PARKESBURG LIONS

Today the Parkesburg Lions Club attended OABEST at the Octorara Area School District to perform FREE eye screenings for the kids. It was a rainy day, but we were able to move our operation inside and do the screenings in a classroom. We screened approximately 38 kids today, not too bad considering the not so pleasant weather.

## MUHLENBERG LIONS

On May 15th, 2024, the Muhlenberg Lions Club (14P) held a banquet to honor 39 Muhlenberg High School seniors who were eligible to be inducted into the Society for Academic Achievement. The (SAA) was founded as a non-profit organization in Quincy, IL in 1959, and dedicated to motivating youth to achieve academic excellence and to honor the top 10% of the senior class by grade point average.

The Muhlenberg Chapter of S.A.A. was founded in 1963, by the Muhlenberg Lions Club and Liam Mike Beavers, former CEO of Carpenter Technology. During the past 61 years over 1,000 students have become members of this organization.

Each senior was presented with a certificate and a gold-plated charm to commemorate the event. It should be noted that many of these students are members of the Leo Club of Muhlenberg High School.

## BOYERTOWN LIONS

The Boyertown LIONS Club is proud to partner with the Boyertown Rotary Club, as we have over the last decade, to continue the rejuvenation of the Boyertown Community Park. The Lions and Rotary Clubs in conjunction with the Boyertown Midget Baseball League were able to secure grants from the Pottstown Area Health & Wellness Foundation as well as Berks County to assist in the reconstruction/updating of Mackey Field. Over one million dollars and donations, (in-kind and cash) were obtained to complete this awesome project.

May 25, 2024 was the Grand Opening of the state-of-the-art baseball field. Upgrades include LED lighting, LED scoreboard, dugouts, press box, bleachers and ADA compliant restrooms for all Boyertown Community Park visitors to use.

These improvements add to the amenities that the LIONS and Rotary Clubs, with the Foundations generous support, have added in the past including the one-mile walking trail, eighteen hole disc golf course and three pickle ball courts.

One of the oldest fields in the Boyertown Midget Baseball League, Mackey Field, is the first field that everyone sees when they enter Boyertown Community Park. With all the improvements at the park, the League wanted to do its part in improving the community park and helping build a better Boyertown. Joining forces with the Boyertown Lions Club and Rotary Club, the League has been working on the design and plan for the Mackey Field Renovations Project for the past couple of years.

Congratulations to Lion Mathew on his award from International President Patti Hill at the Multiple District Convention Banquet Saturday

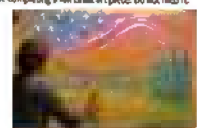

## Featured Seminars

Come to hear about the efforts to grow our membership to 1.5 million members worldwide.

The Saturday luncheon will feature Elva Hurst. She is a "Chalk Talk" artist from Lancaster County whose Lions' focused presentation is bound to grab your attention. Together We Serve is designed to entertain Lions Club gatherings. It has been used at district conventions, chapter nights, president's nights, and other events. This program explores the history of Lions, praises the efforts of service-minded people, and encourages and inspires them to continue in service to their communities. Lions from Central PA have experienced her creative and enjoyable approach to sharing a topic while completing a full chalk art piece. Do not miss it.

Congratulations District 14-P Admin Barry Marteny for being recognized tonight at the International Banquet by International President Dr. Patti Hill, who presented him with the Presidential Award, the 2nd highest honor in Lionism!!

Pa. All State Band put on two wonderful concerts.

**PENNSYLVANIA LIONS' APPRECIATION DAY**  
**CELEBRATING 76 CONTINUOUS YEARS OF CAMPING**  
**SUNDAY, JULY 21, 2024**

Sunday, July 21, 2024, has been designated as "Pennsylvania Lions Appreciation Day." This is the day to recognize not only Immediate Past District Governors, District Liaisons, and all Lions and Leo for their outstanding support of the Beacon Lodge Program.

As a Lion or Leo, you are cordially invited to bring your families to Beacon Lodge to join the festivities. Festivities will begin at 9:00 AM. Lunch will be served from 11:30 AM to 12:30 PM. The cost is \$10.00 per person.

Pin Traders are invited to participate – contact Jason Radmann at lionjasomradmann@gmail.com if you wish to display pins.

Clubs planning to arrange for bus transportation are urged to give the camp ample notice so adequate parking arrangements can be made. Bring lawn chairs and or blankets for seating during the camper's talent show. Certified service animals are allowed to attend if you bring the certification paper from the training entity.

We hope you will be able to visit the camp on "Pennsylvania Lions Appreciation Day" to observe what your contributions have made possible. Every Lion in the Commonwealth of Pennsylvania should be very proud of their part in making the Beacon Lodge Camp possible.

Hello Fellow Lions!

Some time ago, I did a search to look for invocations relative to Lions. I found these three examples which I thought were well written, although I can no longer reference the source. Anyway, I thought some of our clubs may decide to use any of these examples on occasion at your own meetings

Lion Doug Yingling, Kempton Lions Club  
Zone Chair 2-A  
District Global Service Team Coordinator

#### Lions Invocations

Let us pray that the charity that lies in each of us be magnified day by day; that we will come to see with greater clarity not the things which separate us, but those which unite us; that each hour may bring us closer to a final victory of man over his own infirmities and weaknesses; that the true meaning of Lionism may live and grow among us and we may dwell together in the spirit of peace and harmony.

Bless this food that has been prepared for us, may it nourish and strengthen us, so that we may continue in Thy service. Amen.
