A MESSAGE FROM YOUR DISTRICT GOVERNOR — ART PECHT

Treasure Report

During my visits to clubs, I have seen clubs handle the treasure report many ways. The correct way to handle the treasure is to have it put on file. Then once a year the club president should appoint an audit committee. They should meet and report to the club their findings. This is a copy of the district report, but it may be used by clubs.

You can check Robert's rule of order, or you Google it

PURPOSE: The purpose of this policy is to set forth guidelines to assist the committee as to what shall be checked in the course of the Audit. The Treasurer should also use this policy as a basic guide in setting up records to be maintained.

GENERAL: All records should be reasonable neat, readable, and "in good order". All questions raised in these guidelines should be answered **YES**. Any **NO** answer should be cause for correction(s).

- Cash receipts:** all cash receipts should be listed by date received, name of payer and the reason for receipt. **Is such a record kept? Yes No**
- Cash disbursements:** all disbursements should be listed by date paid, name of payee, and reason for being paid. **Is such a record kept? Yes No**
- Pay invoices:** all disbursements should be supported by some type of document information, which should be filed by date paid for by the vendor. The check number and the date paid should be written on the invoice. All payment of bills shall have Cabinet or District Governor approval. The Audit Committee should randomly trace from a few canceled checks to supporting invoice. **Do supporting invoices agree with checking written? Yes No**
- All bank accounts should be reconciled to the checkbook monthly. **Is this done? Yes No**
Have they been reconciled correctly? Yes No
- All checks should be signed by authorized check signers and co-signers. Scan all checks for the year to be sure this has been followed. **Has this been done? Yes No**
- The** financial statement should be traceable to the cash receipts and disbursements recorded either directly or through a general ledger or summary sheets. **Are they? Yes No**
- A federal court 999 and state Charitable Regulator reports (if any) should be completed and filed on time. **Were they? Yes No**

My thoughts are that our Lions year starts on July 1 and many clubs don't meet in July or August. The new president and the passed president should work closely and form a committee, they should set a date, giving the treasure enough time to get statements from the bank or other financial services. I feel this would be in late July or August. There should be a chairperson and he or she should prepare the report for the first club meeting in September.

I hope this helps clubs, If you have any questions, please feel free to call me

Leo-Lion Online Learning Courses

A special online learning path is available on the Lions Learning Center (LLC) developed using responses from Leo-Lions who were surveyed from around the world. Topics included were identified by Leo-Lions as most important to them for their leadership and personal development.

Quick start guide: How to become a Leo-Lion

While your path is unique and presents many options, the basic steps to become a member are easy.

- ☐ Yes, I am eligible for the Leo-Lion membership type.
- ☐ I have served as a Leo for over a year.
- ☐ I am between the age of legal majority through age 35.
- ☐ Decide what club type fits your service interests and lifestyle.
 - Visit lionsclubs.org and search "Leo-Lion club," "Carnegie Lions club," "traditional club" or "club branch" for more information about these club types.
- ☐ Tell your Leo club advisor or a Lion officer that you're ready to be a Leo-Lion.
- ☐ Complete the Leo to Lion Certification Form (LL2), found at lionsclubs.org/leo-lions.
 - The LL2 form is a great tool to help provide information to your new club, but is not required to be submitted to Lions Clubs International.
 - Reach out to memberservicecenter@lionsclubs.org if you need assistance.
- ☐ **IMPORTANT:** Make sure to remind your Lions club president or secretary to add you to the club roster indicating your membership type as a "Leo-Lion."

Visit www.lionsclubs.org/leo-lions or email membership@lionsclubs.org for more information about the Leo-Lion program and various club types you can join or charter.

OWEN J ROBERTS MIDDLE SCHOOL LEOS

On Tuesday, 10/29/24, OJRMS Leos and adult Lions partnered, along with several Leo parent volunteers, for the weekly community meal through the Pottstown Religious Cluster. Leos prepared and served the meal at Trinity Reformed UOC located at 60 North Hanover Street in Pottstown. Leos were responsible for the preparation of the hot dogs, baked beans, apple sauce, and various desserts, along with serving the meal and cleaning up after meal service. We served 144 hot dogs and learned how to properly serve based on food service guidelines. All the food supplies for the community meal were purchased through a generous donation from the Eagle-Glenmoore Lions Club. Early last summer, two Lions retired from their club, and so they provided the OJRMS club, under the direction of Membership Chairperson Carol Hellner, with the donation in honor of their retirees. We were thrilled and so very grateful that we could use those funds to serve and provide food security to members of the local community. District Governor of 14-P, Lion Art Pecht, and his wife, the treasurer of 14-P Lion Evelyn Pecht, joined 12 OJRMS Leos, 6 Leo parents, and 4 high school helpers, along with Coventry Lion Brian Scott in an all-hands-on-deck approach. All volunteers were integral in making this event a success. Additionally, the Leos were joined by retired and beloved OJRMS teacher, Kris Schwab, who regularly volunteers at her church. It was a fantastic night of service for all of those involved.

OWEN J ROBERTS MIDDLE SCHOOL LEOS

From October 14 through the 25, OJRMS Leos assisted with our annual school district food drive or Make a Difference Day collection. Owen J. Roberts Middle School students and their generous families, faculty members, and staff donated 382 total non-perishable food items and self-care products for distribution to the Coventry Food Pantry. To make this event a success, and for the purpose of adding an element of fun, Leos ran a Pie in the Face Contest with teacher and staff volunteers. Under the direction of Leo Club President, Savannah Sharpless, student/staff donations received counted as "votes" for the participants the donors wished to receive a pie to the face. Our lucky winners were:

- First Place - Ms. Anna Chan, 7th grade math teacher, with 105 donations
- Second Place - Mrs. Sharon Doffner, paraprofessional in the Life-Skills classroom, with 62 donations
- Third Place - Mr. Corbin Stoltzhus, OJRMS Principal and LEO Parent, with 55 donations
- Fourth Place Tie - Mr. Yoder, 7th grade Social Studies Teacher and Mr. Hess, OJRMS Band Director and Music Teacher with 36 donations each

OWEN J ROBERTS MIDDLE SCHOOL LEOS

On Thursday, 10/24/24, the Roberts Education Association (REA) Safe Trick-or-Treat Night was held from 4:30 PM-8:00 PM. Setting an OJRMS Leo Club Record, 30 Leos attended this event at the Owen J. Roberts High School for the purpose of entertaining the elementary student attendees with a variety of Halloween Themed Activities. This was the first year our club held down two separate stations simultaneously. We had a treat station in one of the main hallways of the HS, and we had multiple game stations running in the school cafeteria. This event had over 1000 elementary participants from across our school district, and the Leos were incredible volunteers. Groups of Leos ran the following games: Tic-Tac-Boo (tic-tac-toe, but with Halloween cats and ghosts on a pumpkin board), Creepy Crawly Bag Race, Witches' Hat Ring Toss, Eyeball Toss, Pumpkin Ball Toss, and Halloween Mystery Boxes. Leos had a fun, busy night of service to their school community.

It is with a heavy heart that we announce the unanimous decision of the membership to dissolve the Wernersville Lions Club. After more than 79 years of service to our community, this marks the end of a significant chapter in our history.

We are deeply grateful to all of our members, volunteers, and supporters who have contributed to the Club's legacy over the years. Your dedication has made a lasting impact, and the work we've done together will continue to resonate in the lives of many. It has been an honor and privilege to serve our community both local and global with you.

While this is a bittersweet moment, we reflect with pride on the difference we've made and the friendships we've built along the way. Thank you to everyone who helped make our community stronger throughout the years.
